

INNOVATION ASSET PACKAGING

Innovation Asset Packaging is taking the Innovation Results and creating a sellable unit out of it. This can happen when you have had several diverse developments and now have decided to focus on your core competency. The other Ideas, developments, tools etc. have value to other companies. Selling them can give you additional R&D bump for your core products.

innova.ventures is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises. Our services span from light weight coaching, mentoring and consulting to heavy lifting access support to global markets.
