

MENTORSHIP

Mentorship is a much closer relationship than for example an advisor. A Mentor will also coach, give more personal advice, will try to help you reach your goals, will try to motivate you. It is more "you" versus the company.

innova.ventures is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises. Our services span from light weight coaching, mentoring and consulting to heavy lifting access support to global markets.
