

ESTABLISH ADVISORY BOARD

Advisory Board is a valuable group of people who can give you advice in areas where you are not so savvy in. For example having someone on your advisory board who knows your targeted market, the customers, the competition very well, can help you avoid many mistakes and potentially they can also open some doors for you.

innova.ventures is a globally active management consulting firm. Our mission is to enable companies to become more innovative. Our target companies range from start-ups to scalable enterprises. Our services span from light weight coaching, mentoring and consulting to heavy lifting access support to global markets.
